Summary of this survey:

GAR Graves: 13

CSA Graves: 0

Total: 13 known Civil War Veteran graves located

Symbols/Abbreviations:

GAR = Grand Army of the Republic

CSA = Confederate States of America

Notes for Good Shepard Cemetery:

1. Dates of Survey: October 23, 2005 and September 10, 2006
2. Datum: NAD83. Latitude and Longitude coordinates are in Degrees-Minutes-Seconds (DMS) format, +/- 1.00 feet of the grave location. Because of the high degree of accuracy of these coordinates, your handheld GPS receiver may not accept the full coordinate value listed here. Round up or down the "seconds" value to store the coordinates. The aerial photomap I compiled makes it pretty simple that you can really just walk to these graves by using the location map that was created.
3. Disregard any previous coordinate values from the October 23, 2005 survey that used a handheld Global Positioning System (GPS) unit.
4. I like to knowledge and express my personal appreciation to Gordon Bricken of the Sons of Confederate Veterans Captain James Iredell Waddell Camp #1770 and who also maintains the master database for the Orange County Civil War Veteran graves list that helped me complete this project.
